REBATE UPON PURCHASE

Want to buy the equipment that you've rented? Purchase the kit that's been shipped to you and apply 75% of the rental price that you paid (up to a maximum of 75% of the total purchase price) toward the purchase price. In some cases, dependent on the condition of the equipment shipped to you, a "demo/rental equipment discount" may also be available.

Want to send the kit back and order a brand new unit? As long as you order within 6 months from the date that you return your rental kit, you can apply 35% of the rental price that you paid... (up to a maximum of 50% of the total purchase price) toward your purchase.

Security Deposit: Rentals may require a (refundable) security deposit (covering the value of the rental equipment), if appropriate credit terms have not been previously established and maintained with GrayWolf. Allow 10 business days from the time that you supply adequate credit references for a new open account to be set up.

GrayWolf Sensing Solutions cannot guarantee the availability of rental equipment. The quoted \$US rental pricing is exclusively available to clients in the USA and Canada, and is subject to change. Contact your local distributor for rental pricing and availability in other countries.
